Identification Number: C00384529

Reference: 12 Day Pre-General Report (10/1/04-10/12/04)

To Whom It May Concern:

This letter is in response to a FEC request for additional information dated November 23, 2004. I apologize for the delay in our response, but with the end of campaign, closing our campaign office and the holiday season this letter came to my attention late last week.

We have reviewed our Schedule A of our report and discovered:

- Wally Burnett exceeded his General Election contribution amount by \$100 and refund check will be issued this reporting period.
- Trucking PAC did not exceed their General Election contribution limit. Their donation on 8/24/04 was improperly marked for the General election when the check clearly indicated "2004 Primary Election" (see attachment). We have reflected this change.

The second issue in the letter concerns a "gap in the coverage dates of your report". We have researched this and no gap occurs. We filed the 12-Day Pre-General report on 10/18/04. However, there was a problem with the mail service and it was not received until 10/27/04. We wrote a letter to the Office of Public Records with a letter from Federal Express explaining the delay. These items are posted on the FEC website.

The third item in the letter concerns possible incorrect information on Column B Lines 6 (a), 6 (c), 7 (a), 7 (c), 11 (a) iii, 11 (c), 11 (e), 15, 16, 17, 18, 22 of the Summary and Detailed Summary Page information. The information is correct. Our report is based on the fact Senator Lisa Murkowski was not appointed to the US Senate until December 22, 2002 and did not file with FEC on 1/1/03. Therefore, no campaign existed between 11/6/02 thru 1/1/03. However, when if our report uses the dates of 11/6/02 thru 11/2/04 the figures currently reported are correct.

Thank you for time and consideration in this matter.

Sincerely,

 A handwritten signature in black ink, appearing to read "Jim Palmer".

This contribution should be credited toward the fundraising event held at Senator Stevens home in Washington, D.C. on July 12, 2004.
